

Girls Soccer

[continued from page 1]

Athletic Director Clark Chatterton supported the girls' idea and suggested the use of portable goal posts for the field in back of the high school. By moving the posts for practice, he said, both ends of the field could be used for boys and girls teams.

The lack of proper playing area was noted by Frank England who voted against the motion because he felt that space wasn't usable.

Committee Chairman Jack Langmaid said the field be-

hind the school as well as the playground at the Deer Hill School may be used for either boys or girls, space permitting.

Milliken Field, it was pointed out, is still in the process of being enlarged, graded and seeded, and so it is not available.

The cost of coaching and transporting the team will be between \$1500 and \$2000. Whether team members will be eligible for varsity letters at the end of a year is still undecided.

21st Season For Youth Symphony

The 21st season of Boston Symphony Youth Concerts under the direction of Harry Ellis Dickson will begin in November. The BSO performs classical and contemporary music especially selected to appeal to young people. Visual accompaniment in the form of mime, dance and slides, soloists and instrumental

demonstrations are featured as well.

Tickets are now being sold for the series of three concerts (Nov. 17, Jan. 19, and April 5). Bus transportation is provided. Please call Mrs. James Mullen, 383-1993 or Mrs. David Sweeney, 383-1184, during the month of June.
